RE: Forest Stand Delineation (FSD), Annapolis Neck, LLC

Dear Mr. Schuman,

After meeting on site with Mr. Klebasko, preparer of the FSD, on Friday, 12/12/2014, DNEP staff has determined that the FSD submitted for the Annapolis Neck, LLC property is acceptable for the purpose of annexation. Actual tree stands to be preserved will be determined at the development review stage. Please be aware that the property will be expected to have a 50% tree canopy coverage by the year 2036.

Please contact me if you have any questions.

Sincerely,

Frank Biba, AICP, LEED AP
